

S.N	Particular	Required Specification	Remarks
1	Name of Machine	Minitiller	
2	Brand and Model		
3	Capacity	7 Hp	
4	Engine Type	Petrol Engine, 4 Stock	
5	Starting mechanism	Self / Recoil	
6	Number Of Cylinder	Single	
7	Transmission System	Gear Transmission	
8	Number Of Gear	1- Reverse 2- Forward	
9	Fuel Capacity	3 Liters Min	
10	Cooling system	Air cooling	
	Tiller		
11	Number of type	3*3Gang	
12	Width of Cultivation	25 Inch min	
13	Wheel	Standard Size	
14	Spear Part	Set of clutch and Break wire Tool box	
15	warranty	1 Year of Service Warranty	

S.N	Particular	Required Specification	Remarks
1	Name of Machine	Stationary Type Single Tube Corn Sheller common Main frame upon which both the sheller and the electric motor are mounted. Fitted with a Feeding try and Feeding tube	
2	Brand and Model		
3	Threshing Mechanisum	Heavey duty cast Iron Spiral Roller	
4	Threshing Drum Type	Closed drum with blower and screen	
5	Outer Casings and Covers:	Fabricated from 18GSm sheet or better	
6	Vee Pulleys:	Manufactured from high quality cast iron.	
7	Shelling Capacity	500 kg / h or more	
	Electrical Motor:		
8	Electrical Motor		
8.1	Motor Type:	Single Phase, 220 volt	
8.2	Rated Power	0.5 hp or more	
8.3	Rated Speed	not more than 2800 rpm	
8.4	Voltage	220-230 V	
9	Safty	All belt drives and other moving parts to be fully guarded.	
10	Paint	All external surfaces of the sheller to be fully painted.	
11	Spear Part	Set of belts and Tool box	
12	Warranty	1 Year of Service Warranty
